TESTIMONIALS

"We chose Josiah for our wedding at Villa botanica in 2021. We wanted nice chill music for after the ceremony and before the dj started. Josiah has a great range of songs & understood exactly what we wanted. Everyone at our wedding loved him every one was on the dance floor and the atmosphere was great thanks to Josiah. Would highly recommend for any function or wedding."

Bride, Megahn Oliver

"Josiah played at our wedding in 2021 at the Creek Whitsundays, and he was absolutely fantastic. Not only did he learn and perform the personal songs we requested, but he also kept our guests entertained throughout the night. When our DJ's equipment unexpectedly failed, Josiah jumped in without hesitation, turning what could have been a disaster into an unforgettable party. His voice is outstanding, his gear is top-notch, and his professionalism is second to none. Our wedding truly became one of the most magical days of our lives, thanks to Josiah. Thank you so much, Josiah, for your generosity and for making our day so spectacular. We will never forget it. If you're looking for an authentic and talented musician, Josiah is your man! We couldn't recommend him highly enough."
